

We are Talcott Financial Group

Talcott Financial Group is an international life insurance group that combines deep industry experience with a spirit of forward-looking innovation. Guided by our commitment to empower our customers and partners, we strive to build a legacy of client trust and confidence that fuels our collective growth for generations to come. Our enduring strength is evidenced by our robust financial position—\$126 billion in assets, investment-grade financial strength ratings, and our strategic partnership with Sixth Street, a global investment firm managing over \$115 billion in assets.

By blending longstanding industry expertise with agility for today's market, Talcott Financial Group brings a modern perspective to risk solutions. Our experienced team operates with speed, clarity, and reliability, solving even the most complex business objectives. Our risk solutions are founded on industry insights and a deep understanding of our clients' organizations. Through a collaborative approach, we partner with insurers to design creative risk transfer strategies that balance opportunity and risk, increase underwriting capacity, and deliver capital and expense efficiencies, all supported by our strong financial foundation.

Talcott Financial Group has offices in Bermuda, the Cayman Islands, Connecticut, and New York. For more information, visit www.talcott.com.
