

Talcott Financial Group is an international life insurance group that provides innovative risk solutions. Our experienced team, proven track record, and breadth of our capabilities enable us to operate with speed and reliability, solving even the most complex business objectives.

Our solutions are supported by our strong financial position, as evidenced by our \$127 billion in assets, investment-grade financial strength ratings, and strong partnership with Sixth Street, a leading global investment firm with approximately \$80 billion in assets under management.

For over a century, our U.S.-based life insurance and annuity company, Talcott Resolution, has been dedicated to providing lasting value to our contract holders. We do so through a commitment to providing excellent service and prioritizing protection of policyholders.

Our international reinsurance platform, Talcott Re, offers flexibility to counterparties seeking flexible solutions to their risk management needs. From flow reinsurance to block liability transactions, we can price a broad spectrum of liabilities to provide comprehensive and creative risk transfer solutions.

In 2023, Talcott was named a Top Workplace by the Hartford Courant for the fifth consecutive year.

Talcott Financial Group has offices in Bermuda, the Cayman Islands, Connecticut, and New York. For more information, visit [www.talcott.com](http://www.talcott.com).
